

EQUUS SILICIS

BONE MATRIX SUPPORT

EQUUS SILICIS is an easily assimilated true source of silica and calcium. These two ingredients, together with a core of plant material, provide support to the bone structure.

Athletic horse

Bamboo, Blackcurrant

USES

	DOSAGE PER DAY	FREQUENCY
Adult horse	30 g	30 days

This dose can be doubled if necessary. For ponies and foals, doses can be divided by 2

PRODUCT ADVANTAGES

- > Highly assimilable source of silica and calcium
- > Supports the horse's bone structure
- > Enriched with plant extracts (bamboo and blackcurrant)

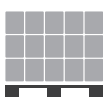

TIPS FROM PASKACHEVAL

Silica and calcium are key minerals that contribute to the strength and integrity of bones. Equus Silicis provides them in a form that is easily absorbed, ideal for supporting your horse's skeletal structure during growth or intense activity

RAW MATERIALS

Nutritional values (%)	
Crude Ashes	58,10%
Ash insoluble in hydrochloric acid	40,30%
Calcium	6,50%

Bamboo, Blackcurrant, Calcium carbonate, Calcium pidolate, Brewer's yeast.
Products of the processing of grinded plants
