

FLOR' STIMUL FLASH

GUT FLORA BALANCE

FLOR'STIMUL FLASH is a concentrate of probiotics and prebiotics.

This oral gel is particularly suitable for foals and for all horses requiring support for the digestive flora.

Athletic
horse

FROM RESEARCH
PaskaCheval

Expertise in
PLANTS

Chicory inulin,
live yeasts

USES

	DOSAGE	FREQUENCY
Foals and ponies	30 ml (½ syringe)	Everyday
Adult horse	60 ml (1 syringe)	Everyday

PRODUCT ADVANTAGES

- Highly concentrated in probiotics and prebiotics for digestive flora support
- Ideal for foals and horses with sensitive digestion
- Contains live yeasts to stabilize gut flora

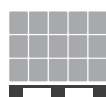

TIPS FROM PASKACHEVAL

Support your horse's digestive balance with a daily dose of pre- and probiotics. Perfect for foals, ponies or adult horses during stress, diet changes or antibiotic use.
