

OIL CARE

CADE OIL

Cade oil and Tea Tree essential oil sanitize the frog and hoof, particularly in wet weather. Thanks to castor oil, OIL CARE deeply nourishes the hoof. It's perfect for preventing frog rot and keeping hooves strong.

PRODUCT ADVANTAGES

- Made with cade oil, Tea Tree essential oil, and castor oil
- Antiseptic, soothing, and nourishing properties
- Cleanses and protects the hoof, especially the frog area

TIPS FROM PASKACHEVAL

This natural care oil is ideal for purifying and protecting the hoof and frog. Its blend of essential oils helps fight thrush while nourishing and strengthening the hoof structure.

USES

Apply to clean hooves 2 to 5 times a week.
