

OIL PROTEC

HOOF COATING

OIL PROTEC is a complex of vegetable oils selected rigorously and cod-liver oil, for flexibility and elasticity of the hoof. Without water.

Laurel oil, vegetable oil, cod-liver oil

PRODUCT ADVANTAGES

- Blend of rigorously selected vegetable oils and cod-liver oil
- Enhances hoof elasticity and suppleness

TIPS FROM PASKACHEVAL

Thanks to its water-free formula and rich oil complex, OIL PROTEC deeply nourishes the hoof while maintaining flexibility, even in dry or variable climates.

USES

Should be applied on a clean hoof 2 to 5 times a week

Made in France
