Original Reformhafer

The dust-free classic.

Höveler Original Reformhafer is a natural muesli consisting of high-quality oats, various grain by-products, molasses and minerals. The well-balanced components - together with the close ratio of digestible protein to digestible energy - make Original Reformhafer an ideal ration supplement for horses that have to perform light to medium work.

The well-dosed molasses and bran content makes Original Reformhafer a valuable feed that has a mild laxative effect and thus supports the horse's sensitive digestive tract.

The low protein and energy content of Original Reformhafer makes the muesli the ideal manger feed for horses at times when their requirements are low.

The high molasses content minimises dust formation and makes it particularly palatable. A feed that experience has shown attracts even poor eaters to the manger again and again.

Composition

Molasses, oat husk bran, rolled oats, Oat hulls (reformed oats contain beet molasses and therefore have approx. 18% moisture and are preserved with propionic acid)

Ingredients

Crude protein	7.7 %
Crude fat	2.5 %
Crude fibre	13.5 %
Crude ash	8.0 %
Calcium	1.3 %
Phosphorus	0.3 %
Sodium	0.6 %
Magnesium	0.1 %
Starch	9.4 %
Sugar	15.8 %

Digestible energy

per kg DM: 11.2 MJ

Convertible energy

per kg DM: 9.9 MJ

Digestible crude protein

per kg DM: 60 g

Additives per kg
