## PRODUCT ADVANTAGES

- Helps protect against summer nuisances
- Respects the skin, even with frequent use

## TIPS FROM PASKACHEVAL

This shampoo is perfect for summer care routines. The blend of lemongrass and lavender essential oils adds freshness and supports natural skin defense, while leaving a pleasant scent.

## USES

Shower the horse first before using the shampoo on the skin, it will make its use easier. Massage the whole body with the product, then rinse thoroughly with clean water. You can use this shampoo as often as needed. Precaution for use: Contains essential oil of lavender, citronellal, geraniol. May produce an allergic reaction. Safety data sheet available on request.
