PRODUCT ADVANTAGES

- Helps relieve pain from shocks, bruises, and minor burns
- Effective muscle relaxant

TIPS FROM PASKACHEVAL

Arnica and calendula extracts are known for their soothing and anti-inflammatory properties, making this gel ideal for quick relief after minor injuries or intense effort.

USES

Apply the gel directly on the parts to be treated. It can also be applied on the horse's joints and tendons. Massage for a few minutes so the product can penetrate the skin. Repeat the action as many times as necessary. For external use only.
