

HOOF & LEG CARE

HOOF CARE

Easy
to apply

FROG PROTEC DRIES AND CLEANS THE FROG

FROG PROTEC is a cream made in our laboratory. It dries out and cleans decomposition, even at a deep level within the frog.

USES

Apply once or twice a day to rotten forks until a healthy fork is restored.
Maintenance: once a week depending on the condition of the fork

CONDITIONNING

Liquid - 200 ml bottle + applicator
