HERBA MASH

Supplementary feed for horses to support the sensitive digestive tract.

Healthy intestinal flora and digestion are the basis for the well-being and vitality of horses. The bran, apple pomace, and brewer's yeast contained in equinova® HERBA MASH promote digestion and intestinal flora thanks to their prebiotic properties.

The linseed contained in the product is also rich in valuable mucilage. The recipe is rounded off with high-quality herbs such as fennel and chamomile flowers as well as valuable bicarbonates.

equinova® HERBA MASH

COMPOSITION

Wheat bran, corn flakes, alfalfa meal, linseed cake feed, ground, carrots, dried, 6.3% Flaxseed, roasted, 6.25% Apple pomace, dried, carob meal, beet molasses pulp, refined linseed oil, 1.20% brewer's yeast, 1.00% herbs (dandelion, fennel, chamomile flowers, lemon balm, peppermint leaves, yarrow herb, sage leaves), 1.0% sodium bicarbonate, calcium carbonate

ANALYTICAL CONSTITUENTS AND CONTENTS

12.8% crude protein, 9.8% crude fat, 9.1% crude fiber, 7.2% crude ash, 0.7% calcium, 0.5% phosphorus, 0.4% sodium, 0.2% magnesium

Feeding recommendation per 100 kg body weight per day
ADMR-COMPLIANT RECIPE.

HERBA MASH

Mix 50 g mash/100 kg body weight with approx. twice the amount of hot water and leave to stand. HERBA MASH should only be given to the horse when it has cooled down and is lukewarm.

Feeding HERBA MASH is recommended 2–3 times per week

TIP: Prebiotics are indigestible food components that promote the growth and activity of beneficial intestinal bacteria
