

PASKABOOSTER

HORSE ENERGY AND STAMINA

PASKABOOSTER is an appetising oral gel that contains high doses of vitamins, minerals, and plant extracts providing:

- a fast energy supply, guaranteeing power and muscle tone,
- an antioxidant action for stamina.

This booster is comprised of more than 11 vitamins (E, B1, B6, B12, etc.) and 7 essential chelated trace elements (Selenium, Iron, Copper, etc.):

- Vitamin B6, B12 to boost energy,
- Vitamin E, C and selenium for antioxidant action that neutralises free radicals.

Paskabooster is used for warm-up management: during competitions, races or training. Paskabooster is particularly recommended for horses lacking muscle tone or during competitions over several days.
