

PASKAMINE +

BALANCE AND SUPPORT

PASKAMINE+ is a multi-vitamin mineral feed particularly suitable for athletic horses. It provides the elements which are present in insufficient quantities in the basic ration but which are essential for the performance of your horses:

- Rich in vitamins (A, D3, E, B12...), trace elements and minerals.
- Plant extracts for the support of the locomotor system (horsetail)
- Hepato-protectors (choline, methionine),
- Clay and fenugreek for the palatability and digestibility of the ration.
